"WITHIN OUR SCHOOL WALLS,
YOUNG MINDS LEARN NOT
ONLY TO THINK, BUT TO
THINK RESPONSIBLY."

**"More than pages and print,
this magazine reflects the
spirit, effort, and excellence of
our school community."**

With determination and the will to succeed, our school commenced operations in the 2004-05 academic session. Since then, our aim has been the holistic development of the personality of our students, i.e., academically, physically, and intellectually. We always strive to provide a homely atmosphere to the children in the school so that we can instill strong values during this impressionable age. According to psychologists, the learning capacity of a child is highest up to the age of five years. This comfortable learning environment makes them fully equipped to face the challenges and competitions of life.

It is natural for parents to have apprehensions during the admission phase, but we assure you that all your anxieties will be put to rest within a couple of weeks. Small Wonder Education Society believes in helping and enabling children to discover their potential and utilize it to the maximum. It is our wish that the students of Small Wonder Public School become strong pillars of society and provide direction to our nation. The biggest reward for the school and staff will be to hear these kids proudly declare, "This was my first school."

The school building and infrastructure are unique, with top-class facilities such as Smart Classrooms, the latest audio-visual educational aids, and a bright and cheerful ambiance. Small Wonder Public School was the first school in Hisar to receive ISO 9001:2015 certification for quality education and management. Within a short span of time, we have crossed many milestones, and our students have achieved tremendous success in every sphere. This has been possible due to the wholehearted support from parents, and we hope to continue receiving the same kind of support in the future.

With our sincere efforts and your cooperation, the school is growing rapidly. Rest assured, we will leave no stone unturned for the overall development of our students. Our dreams can come true only with your faith in the institution and the blessing of our ancestors to whom we have dedicated this school.

Gala & Festivities

Christmas Day

Spreading joy, singing carols, and dancing with hearts full of cheer — ✨ **Sapphire House** lit up the campus with a magical Christmas Assembly! 🎄🌟 From meaningful messages to radiant performances, every moment reflected the true spirit of the season — love, kindness & celebration! ❤️🍷

Tulsi Pujan Diwas

तुलसी पूजन भारतीय संस्कृति की समृद्ध परंपराओं का प्रतीक है। यह न केवल आध्यात्मिक शांति प्रदान करता है, बल्कि पर्यावरण और स्वास्थ्य के प्रति हमारी जिम्मेदारी को भी दर्शाता है। इसी उद्देश्य से आज स्मॉल वंडर पब्लिक स्कूल के प्रांगण में तुलसी पूजन दिवस मनाया गया। ये पूजन श्रीमान तारा चंद जी के मार्गदर्शन द्वारा बच्चों से करवाया गया। और उन्हें तुलसी पूजन और इस का महत्व भी बताया गया। इस पूजन के अवसर पर हमारे निदेशक महोदय श्री वी.के. अरोड़ा जी और प्रधानाचार्या श्री मती कमलेश भाकर जी भी उपस्थित रहे। उन्होंने श्रीमान तारा चंद जी का धन्यवाद किया कि उन्होंने हमारे बच्चों को भारतीय संस्कृति से अवगत करवाया

Lohri Celebration

Sparks of tradition, rhythms of joy, and wonder all around! 🔥🎉

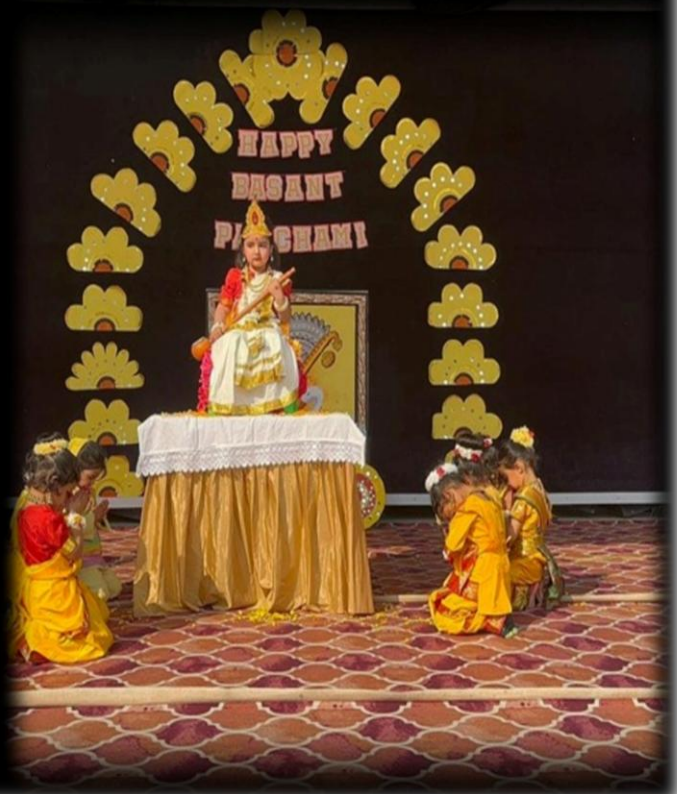

Lohri at Small Wonder Public School, Hisar wasn't just a celebration — it was a vibrant blend of culture, community, and cheer! 🍌🍎

Lohri was celebrated with warmth and enthusiasm at Small Wonder Public School, spreading happiness, tradition, and togetherness. 🔥🍌🎵

Basant Panchmi

☀️ Small Wonder Public School, Hisar celebrated Basant Panchami with joy and devotion. Our students mesmerized everyone with graceful dance performances and shared the significance of this auspicious day. ✨ 🇮🇳

Republic Day

🇮🇳 Celebrating the spirit of freedom, unity, and responsibility.

Small Wonder Public School, Hisar wishes everyone a **Happy Republic Day!**

Let our young minds grow into responsible citizens of tomorrow.

Special Weeks

Pythagoras Week (Maths Week)

✨ Maths Week Fun in Classes 2 & 3! ✨

"The power of Mathematics is often to change one thing into another ,to change Geometry into language ."    

Our young mathematicians from Classes 2 and 3 had an exciting and hands-on Maths Week based on the theme Measurement, Capacity, and Shapes!

Students explored maths in the most fun way through engaging activities:

◆ **3D Shapes from 2D Nets**

Children cut, folded, and created beautiful 3D models like cubes, cones, and cylinders—helping them understand shapes beyond the textbook.

◆ **Weight Measurement Using a Balance**

Using a simple balance scale, students compared real objects to learn what is heavier or lighter. The joy of balancing both sides was priceless!

◆ **Measuring Length in Real Life**

From books to tables, students measured classroom objects using rulers and non-standard units. This helped them understand length practically and accurately.

◆ **Exploring Capacity**

Through pouring and comparing water in different containers, children discovered which one holds more or less.

Math Week successfully turned numbers into fun, creativity, and real-world learning. Our little learners enjoyed every moment and discovered that Math is exciting, meaningful, and everywhere around us!

 Here are some glimpses of their joyful learning moments!

Maths Week – Day 2 Highlights (Classes 4 & 5)

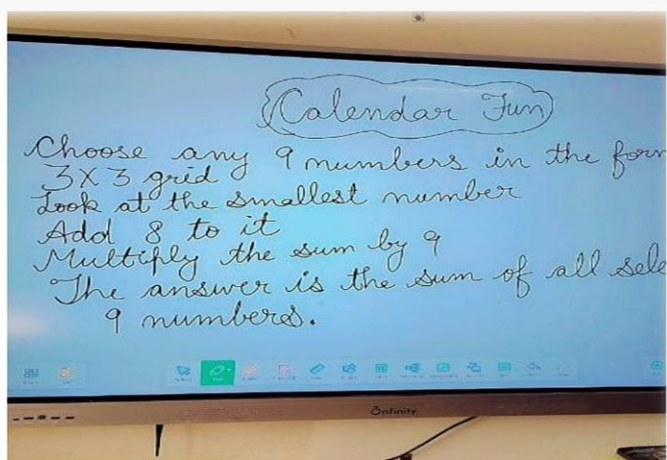

"The only way to learn mathematics is to do mathematics." ▲ ◆ ◆ ◆ ◆ ◆

Day 2 was an exciting blend of hands-on learning and creativity. The Assembly on Lines and Angles showcased students explaining different types of lines and angles with clear charts and real-life examples.

In classrooms, students worked on three engaging activities:

- * Pie Chart Activity: Created colourful charts using class data, strengthening their understanding of data handling.
- * Circle and Its Parts: Explored radius, diameter, chords, arcs, and centre through drawing and craft work.
- * Calendar Fun: Solved calendar-based puzzles to identify patterns, calculate dates, and apply logical reasoning.

The day concluded with enthusiastic participation and strengthened concepts, keeping students eager for the upcoming activities.

Pythagoras Maths Week – Class VI & VII Highlights 🌟

Pythagoras Maths Week was filled with curiosity, creativity, and excellent learning experiences. Students of Class VI and VII showcased a wonderful range of mathematical concepts through engaging activities and confident performances.

📚🌟 Class VII Activities:

- ◆ Penrose Triangle – Students explained how this impossible figure bends the rules of geometry and challenges visual perception.
- ◆ Why π (Pi) is Irrational – A well-presented explanation showing that Pi is a never-ending, non-repeating number.
- ◆ Speed, Time & Distance – Demonstrated through real-life examples how all three are interlinked.
- ◆ Relative Speed – Clear and practical demonstrations showing how two moving objects compare their speeds.
- ◆ Types of Lines – Parallel, perpendicular, and intersecting lines explained with neat visual representations.
- ◆ Euclid's Postulates (Lines & Postulates) – Students confidently presented the fundamental rules that form the base of geometry.

📚🌟 Class VI Activities:

- ◆ Treasure Hunt – A fun and intellectual activity in which students used clues based on mathematical reasoning to find the treasure.
- ◆ Fraction-Based Tasks – They explored different ways in which fraction works and applied the concept through hands-on activities.
- ◆ Maths Learning Through Movement – Students actively participated and discovered how everyday actions connect with mathematical principles.

👏 A Proud Moment

Both classes performed exceptionally well, displaying teamwork, knowledge, and enthusiasm. Their participation made the event meaningful, joyful, and truly enriching.

Maths Exhibition – Pythagoras Week

The Maths Department successfully organised a vibrant and engaging Maths Exhibition during Pythagoras Week, showcasing the creativity, confidence, and mathematical understanding of our young learners.

Models Displayed on Various Mathematical Concepts

Students from different classes prepared innovative and thoughtful Maths models based on a variety of topics. Their hard work could be seen in models related to:

- ◆ Geometry – shapes, angles, symmetry, Pythagoras theorem
- ◆ Mensuration – area and perimeter models
- ◆ Data Handling – charts, bar graphs, and pictographs
- ◆ Number System – place value models, roman numerals
- ◆ Algebra & Patterns – creative pattern charts and variable models
- ◆ Measurement – capacity, length, weight concepts
- ◆ Everyday Maths – models showing the use of mathematics in real life

Each display highlighted the students' imagination and clear understanding of mathematical ideas. The exhibition hall was filled with enthusiasm as students confidently explained their work to teachers and visitors.

A special Maths Quiz Competition was also organised for Classes IV and V.

Students participated with great excitement, answering tricky, logical, and interesting mathematical questions.

The quiz rounds included:

- ✓ Rapid Fire Round
- ✓ Mental Maths Round
- ✓ Logical Reasoning Round
- ✓ Application & Real-Life Maths Round

The energy, teamwork, and competitive spirit of the students made the event lively and memorable.

Overall Experience

The Maths Exhibition was a wonderful platform for students to explore, learn, and present Mathematics beyond textbooks. Their creativity and confidence truly made Pythagoras Week a grand success.

Maths Week – Grand Finale

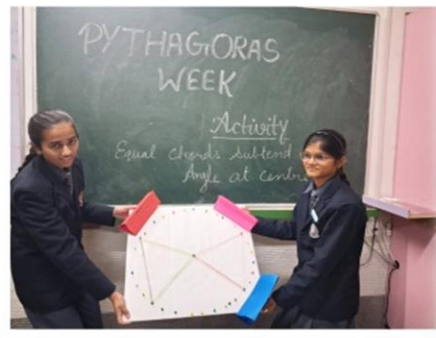

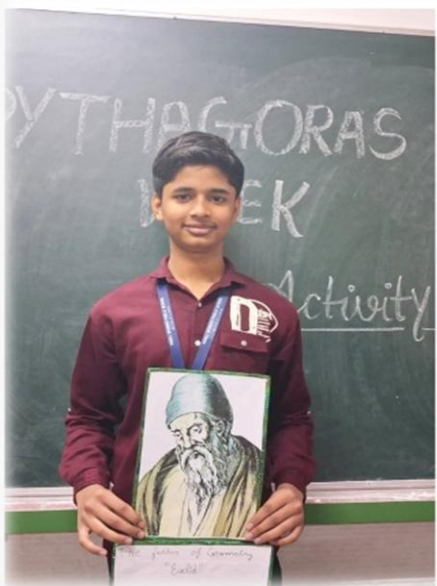

'Maths is most beautiful and most powerful creation of human spirit' ♦ ▲ ▣ ▢ ◆ ● ☀

The final day of Maths Week concluded with energy, curiosity, and joyful learning. The morning began with a special assembly highlighting the importance of mathematics in everyday life, followed by inspiring presentations on great mathematicians whose ideas continue to shape the world. Students also enjoyed a lively Maths Quiz that tested quick thinking and problem-solving skills.

Class 8 showcased engaging hands-on activities, including the Human Quadrilateral formation and an exciting Geoboard challenge that brought geometric concepts to life.

Class 9 delved deeper into the world of circles and cyclic quadrilaterals through interactive explorations and real-life applications.

The week closed with bright smiles, confident learners, and a renewed appreciation for the beauty of mathematics.

Brainiac Week

GK Week Celebration | 29–30 January

Our school proudly conducted GK Week on 29th and 30th January, filled with learning, creativity, and excitement! The week was designed to enhance students' general awareness while making learning fun and interactive.

Week Highlights:

- ✓ Spin the Wheel – Fun-filled GK quiz with rapid thinking
- ✓ Cultural Thread – Showcasing India's rich diversity
- ✓ GK Challenge – Testing knowledge and confidence
- ✓ Special GK Assembly – 30th January

A special assembly was organized featuring the informative presentations on India's National Symbols, along with captivating dance and music performances. The assembly also included themes like Incredible India, Inventions of India, and inspiring performances reflecting the spirit and achievements of 2025.

The vibrant dance performances added energy and enthusiasm, making the assembly truly memorable.

Special Assembly

Class : Nursery Majestic

Morning Assembly – “Smile and Shine”

Our Nursery Majestic students joyfully presented their morning assembly on the theme “Smile and Shine.” The assembly began with happy smiles and cheerful greetings that filled the atmosphere with positivity.

The little ones confidently shared simple messages about smiling, being kind, and spreading happiness. Their innocent expressions and bright faces beautifully reminded us that a smile can make everyone shine.

Class : Nursery Blossom

Class Nursery Blossom students beautifully presented the morning assembly on the theme **"My Little World of Love (My Family)"**. The assembly began with a cheerful greeting that filled the atmosphere with warmth and joy.

The little ones spoke confidently about their families and explained the meaning of family in simple and heart-touching words. Through real-life examples, they shared how family members love, care for, and help one another every day.

The assembly highlighted the values of love, kindness, respect, and togetherness. Family was described as our first home where we feel happy, safe, and loved. The confident stage presence of the students was truly commendable, and their efforts were appreciated by the teachers.

Overall, the well-organised assembly spread a positive message and left everyone feeling joyful, emotional, and inspired.

Class – L.K.G. Rose

L.K.G Rose – Special Assembly Theme: Little Leaders of Parliament 🇮🇳

The assembly began with a peaceful prayer, filling young hearts with gratitude and positivity. 🌞
Our confident Stage Star then set the tone, reminding everyone that leadership begins with voice, values, and vision. ✨

The stage came alive as our Little Ministers took charge —
the Education Minister spoke about learning,
the Health Minister about healthy habits,
the Sports Minister about teamwork,
the Safety Minister about care and responsibility,
the Environment Minister about loving our planet,
the Culture Minister about unity,
and the Kindness Minister beautifully concluded with "Aao hum sab haath milaye." 🍌❤️

Their message of determination and dreams flowed into an energetic dance on "Lakshya", reflecting focus, courage, and the spirit to move forward together. 🌟

In a heart-warming moment, our little leaders proudly escorted the School Director, Principal, and Coordinator to the stage, showing that true leadership walks with respect and gratitude. 🌸
The Class Teacher's speech wrapped the assembly with pride, encouragement, and hope, celebrating every child's effort and growth. 🌱✨

The day ended with smiles, applause, and a strong belief —
Little leaders today, responsible citizens tomorrow. 🇮🇳🌈

Class – L.K.G. Lotus

Special Assembly : "Know the Rules, Save Lives"

The assembly was conducted based on the topic "**Traffic Rules**" began with a warm welcome.

The Assembly began by invoking God's blessings and Thought of the day.

Students enthusiastically spoke about, Traffic Rules.

Highlighting key aspects such as:

- ✓ Importance of wearing helmets and seatbelts.
- ✓ Obeying traffic signals and signs
- ✓ Safe crossing techniques for pedestrians.
- ✓ Students developed an understanding about Traffic Rules and its importance.
- ✓ The assembly fostered social skills, creativity and confidence.

The assembly was engaging, and students actively participated. It was a great way to introduce the concept of Traffic Rules, signals and safety rules.

Class – L.K.G. Tulip

📖 **Books: My Best Friend** 💖

LKG Tulip kids lit up the stage with songs, dance & a powerful message —
books are friends that teach for life! 🌟

Class – U.K.G. Rose

🌟🌸 Special Assembly – Innovation & Technology 🌟

Today, our little innovators from UKG lit up the stage with creativity, confidence, and curiosity! The assembly featured inspiring speeches, a fun-filled skit, creative quotes, and a special tech-themed dance performance where our children joyfully expressed how innovation brings energy and excitement into our lives. 🤖🌟

From talking about gadgets and robots to showing how small ideas create big changes, our students truly celebrated the spirit of "Think, Create, Innovate!"

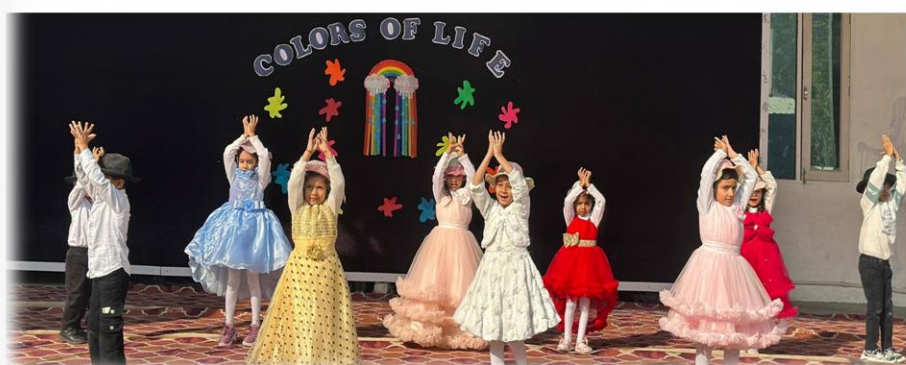

A big applause to our tiny tech stars for presenting such a meaningful assembly and inspiring everyone to dream big and invent boldly! 🌈👏

🌟Innovation begins with imagination... and today, our UKG Rose kids proved it beautifully! 🌟

Class – U.K.G. Lotus

🌈🌟 Our radiant little learners of UKG Lotus 🌸 splashed the morning with pure magic as they brought alive the theme **"Colours of Life"** through their vibrant smiles, expressive performances and heart-touching innocence—each child becoming a unique colour of joy, courage, peace and hope; together creating a masterpiece that reminded us that life is not just to be lived, but to be painted with kindness, creativity and celebration. A truly unforgettable morning filled with tiny voices, big dreams and endless colours! 🌟🎨💖

Class – U.K.G. Tulip

🌈 Special Assembly – School Life ❤️ Learning with Joy 🌟

Our little learners from UKG Tulip filled the morning with laughter, excitement, and beautiful memories of school life!

The assembly included cheerful speeches, a lively skit, thoughtful sayings, and a super energetic dance performance that expressed how school is not just a place to study, but a place to grow, dream, and shine.

From talking about teachers and friendship, to showing how rules and values make us better human beings, our tiny stars beautifully presented what makes school life truly special. 📚 👧 📖

A big round of applause to our young performers for showcasing the magic of learning, sharing, and caring at school! 🌟 🍌

🌟 "School is the starting point of success... and our UKG Tulip kids proved it with smiles and confidence!" 🌟

Class – 1st Rose

Our class 1 Rose conducted a formal morning assembly on the theme "Girl Power and Girls' Education." The program aimed to promote awareness about the importance of educating girls and empowering them to achieve their full potential.

The assembly included the following segments:

- ✦ Thought of the Day
- ✦ Word of the Day
- ✦ Poem Presentation
- ✦ Shlok Recitation
- ✦ Awareness on Social Evils

Students addressed several social challenges that continue to affect girls, including:

- ✗ Gender discrimination
- ✗ Child marriage
- ✗ Dowry system
- ✗ Domestic violence
- ✗ Harassment and abuse
- ✗ Denial of educational opportunities

The message encouraged everyone to work together to eliminate these evils and create a safe, equal society.

✦ Helpline Numbers Shared: Important helpline numbers were highlighted to promote awareness and safety, reminding students that help and support are always available. 📞

The assembly concluded with the powerful message that an educated girl is not only an asset to her family but a changemaker for the entire nation. ✨

Let us all commit to supporting and empowering every girl to learn, grow, and lead with confidence. ❤️

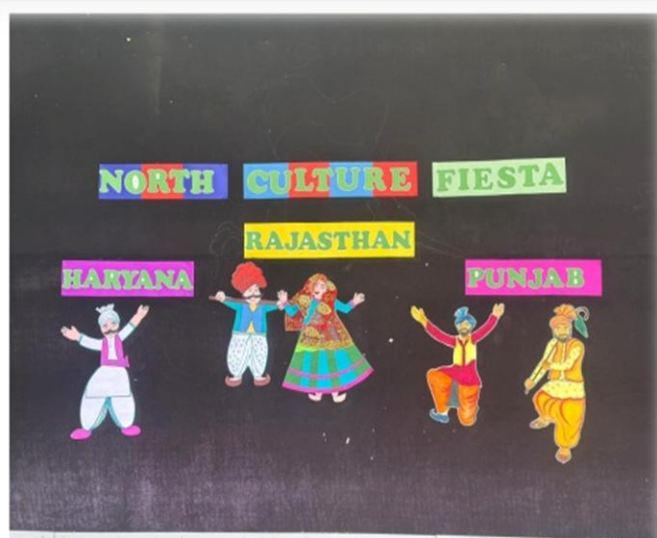

Class – 1st Lotus

❀ Special Assembly – North Culture Fiesta ❀

Grade: 1st (Lotus)

A special assembly on the theme “North Culture Fiesta” was conducted by Grade 1 – Lotus with great enthusiasm. The students learned about the rich culture of Haryana, Punjab, and Rajasthan. They were introduced to the food, traditional dresses, dance forms, and lifestyle of these states. The children participated confidently and presented their learning through dance, ramp walk, and colourful costumes. The assembly helped students understand that India has diverse cultures, and all are beautiful. It was a joyful and informative experience for everyone.

Class – 1st Tulip

Grade 1 Tulip students presented a morning assembly on the **Theme – Friendship**. The assembly began with a cheerful greeting. Students spoke about caring and sharing and explained the meaning of friendship in simple words. They shared examples from their daily lives to show how friends help each other.

The assembly highlighted the value of kindness and taught students to love and respect their friends. Friendship was described as something that makes us feel happy and safe. The children spoke confidently on stage, and teachers appreciated their efforts. The well-organised assembly spread a positive message and was joyful and meaningful.

Class – 1st Lily

RESPECT YOUR ELDERS – ASSEMBLY BY GRADE 1 LILY

We had a wonderful day as our students beautifully presented the “Respect Your Elders” themed assembly ☐ Each segment was thoughtfully prepared and delivered with confidence, respect, and enthusiasm. The children performed a lovely skit and dance centered around the theme. The assembly conveyed a powerful message about love ♥, gratitude , and honoring the wisdom of elders. It was truly heartwarming to see our young learners shine brightly on stage.

Competitions

Healthy competitions inculcate a sense of responsibility and dedication towards their goals among students.

When students compete, they become more inquisitive, research independently and learn to work with others. They strive to do more than required. These abilities prepare children for all kinds of situations in future.

Various competitions held in our school in December & January are as follows :

Navneet Drawing Competition

🏆 Prize Distribution for Navneet Drawing Competition 🏆

The school proudly organised the Navneet Drawing Competition to encourage creativity, imagination, and artistic expression among students. Participants from Classes LKG to 10th showcased their exceptional talent through beautiful and thoughtful artworks.

To appreciate and motivate young artists, prizes were awarded to the best performers in the following three groups:

👶 Group A (LKG to Class 3)

Young budding artists impressed everyone with their vibrant colours, creativity, and originality.

👦 Group B (Class 4 to 6)

Students of this group displayed improved artistic skills, neatness, and creative concepts.

👦 Group C (Class 7 to 10)

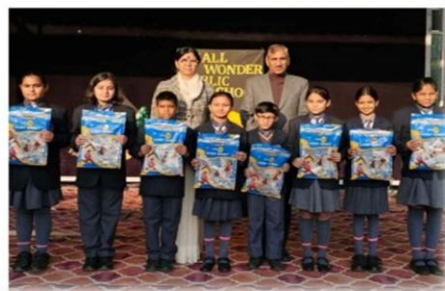

The senior group showcased remarkable detailing, depth, and mature perspectives in their artwork.

👤 Special Appreciation for Art Teachers

To acknowledge the dedication, guidance, and creative support provided by our Art teachers, the school also presented special prizes to them. Their consistent efforts in nurturing students' artistic talents and inspiring them.

The school congratulates all the winners, participants, and Art teachers for their enthusiastic involvement. Such activities help nurture creativity and boost confidence among students.

✨ Keep inspiring, keep creating! 🎨 ✨

Life's Journey of a Scientist

An interesting and informative class competition for Class V students was held on 27th December. The presentations highlighted curiosity, hard work, and dedication in the life of scientists.

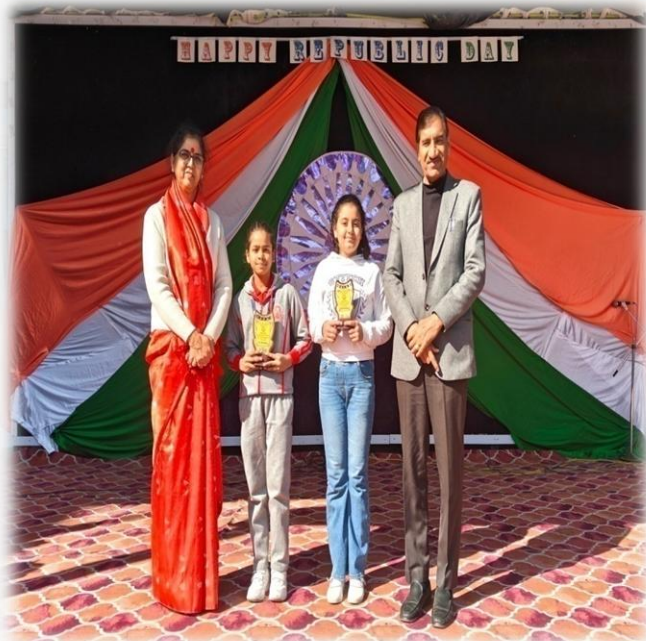

Result:

Transforming Future Career Counselling

🌟 Transforming Futures: Career Counselling Session with Mr. Bilal Ali 🌟

Small Wonder Public School proudly hosted an impactful and future-focused Career Counseling Session on December 10, 2025 conducted by the exceptionally talented Mr. Bilal Ali. The session proved to be a turning point for our Grade 9 and 10 students, who eagerly participated and engaged with remarkable enthusiasm.

Mr. Bilal captivated the learners with his deep insights on career pathways, skill development, and the evolving landscape of opportunities in various fields. Students posed a series of thoughtful and challenging questions, all of which were addressed with outstanding clarity and real-life relevance.

To make the interaction even more dynamic, Mr. Bilal introduced a team-formation activity during the Q&A round—adding energy, collaboration, and excitement to the learning experience.

Our Director Sir, Mr. Girish, and Principal Ma'am expressed heartfelt appreciation for Mr. Bilal's guidance, acknowledging how his expertise enriched our students' understanding of career planning and decision-making. Their encouraging words made the session even more meaningful.

It was truly an empowering and enlightening experience for the entire SWPS family. We extend our sincere gratitude to Mr. Bilal Ali for inspiring our young minds and helping them envision a brighter, confident future.

🌟 Together, we continue guiding our students toward informed choices and limitless possibilities.

**Empowering minds,
supporting hearts** 🧡

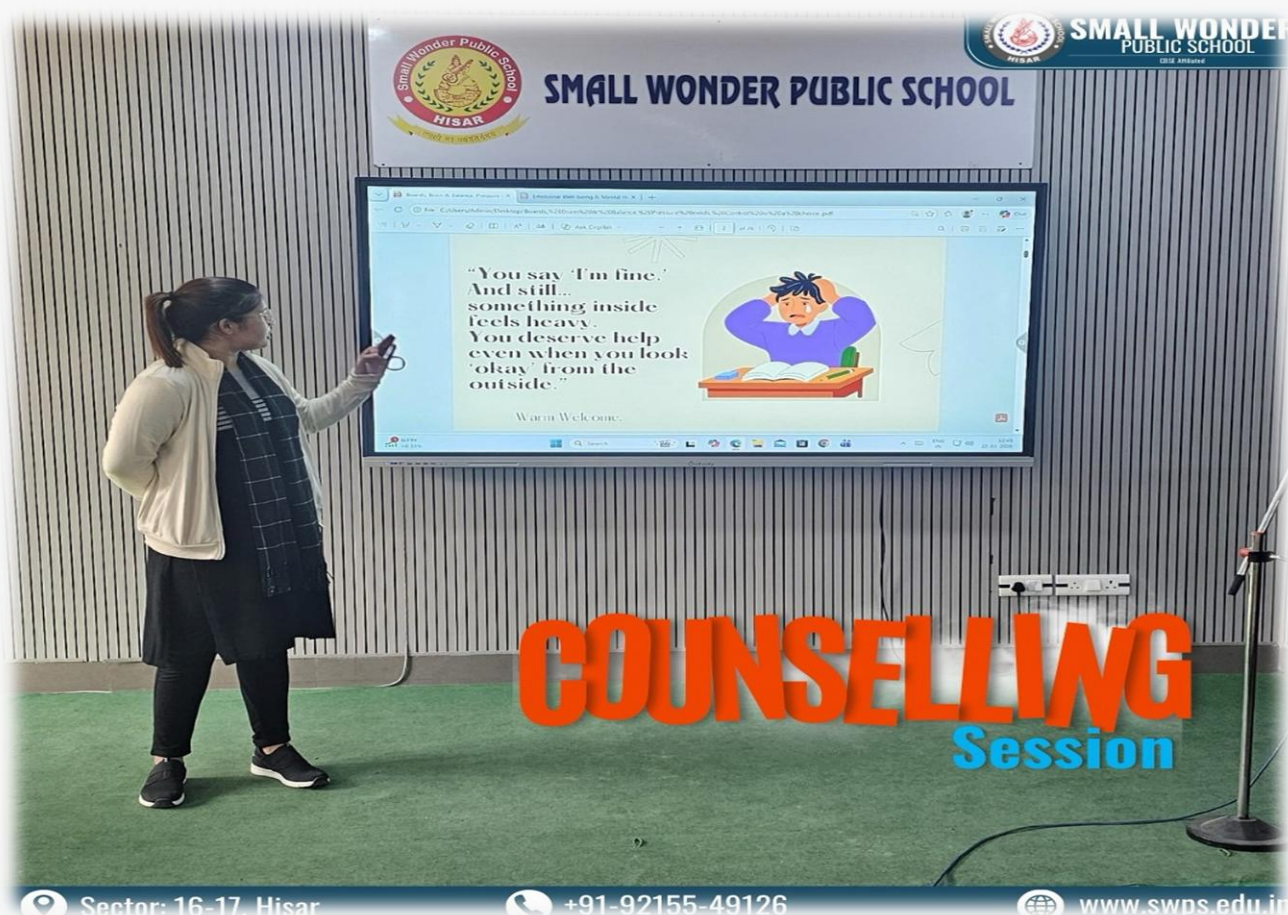

An insightful counseling session by Ms. Juhi helped our teachers reflect, recharge, and reframe — focusing on emotional well-being, stress management & classroom resilience. 🌱🇮🇳

A meaningful counselling session was conducted at Small Wonder Public School, Hisar by Ms. Juhi, focusing on emotional well-being, self-confidence and positive thinking.

Such sessions help students understand themselves better & grow with clarity & strength.
